CODE OF CONDUCT AND MEDIA RELEASE

It is the mission of the Bedford Crew Club to provide Bedford High School students with the most enriching team-oriented athletic experience possible, while setting the highest standards of academics, responsibility, and sportsmanship for its participants. This Code of Conduct is being implemented for this purpose.

- The student/athlete must be in good academic standing at Bedford High School. If not, the student will be required to work with the coach on a remediation plan to balance academics with participation on the crew team.
- Team members are expected to be present at all practices, team meetings, contests, and special occasions unless excused by the coach. Unexcused absences may result in loss of rowing privileges and potential ineligibility.
- The possession or use of tobacco, alcoholic beverages, or illegal drugs is prohibited by members of Bedford Crew. In addition, any misconduct resulting in a school suspension will also not be tolerated.
- Upon evidence of possession or use of any of the above, and including egregious misconduct as outlined in the BHS handbook under “Citizenship and Student Behavior” resulting in a school suspension, the student/athlete will be suspended from the team, pending investigation.
- The final decision to remove a student/athlete from athletic participation for the completion of the season will be made by the Coach in consultation with Bedford Crew Board of Directors.
- Team initiations and hazing are strictly prohibited. Any athlete participating in such behavior, or who has awareness of such behavior without reporting it will be subject to permanent removal from the team.
- In accordance with the above, I give Bedford High School permission to release the academic status and/or disciplinary actions against the student to a board representative of Bedford Crew.

We understand that these provisions will be enforced and failure to sign this document will not prevent its sanctions from being applied.
